RE: Floyd Ackert Bridge (County Bridge 195) Superstructure Replacement Project
Carrying Floyd Ackert Road over Black Creek
Town of Esopus, Ulster County

To Whom It May Concern:

It has been determined by the Ulster County Department of Public Works that the Floyd Ackert Bridge over the Black Creek requires the removal and replacement of the floorsystem and deck. The construction is set to begin on Monday October 5, 2020.

The Ulster County Department of Public Works will be doing the replacement work. In order to accomplish this work, it will be necessary to close the Floyd Ackert Bridge in the Town of Esopus to all thru traffic effective October 5, 2020.

Traffic may use Floyd Ackert Road west for 1.9 miles to Old Post Road east for 1.6 miles to State Route 9W south for 2.3 miles to Floyd Ackert Road.

Thank you very much for your cooperation in this matter.

Very truly yours,

Tom Jackson

Thomas Jackson
Commissioner of Public Works
